EXPERIENCE LOCAL JAPAN: written by a Japanese person who was born and raised in Japan, and who previously worked as a producer for Yahoo! Travel. SHIGE KOBA

This is a guidebook for foreign tourists, written by a Japanese person who was born and raised in Japan, and who previously worked as a producer for Yahoo! Travel. Recently, the number of foreign tourists has been increasing, but they haven't tasted even half of what Japan has to offer. I wrote this book because I thought that was so unfortunate, and what in Japanese we would call "mottainai," or, such a waste. If you want to know why, it is because you can find so much good in Japan in day-to-day life.

Altogether, I will introduce you to shops and services used on a daily basis, common Japanese phrases, budgets, manners, rules, and knowledge that will prove useful to you.

In addition, taking advantage of the e-book format, I will also supplement the information with links to relevant websites for each topic.
