## **First Love** C. J. Harte

Jordan Thompson was brought up to believe and trust what her parents taught her: their strong but conservative values. As the daughter of the President of the United States, she especially feels the burden of living up to her parents' standards.

Drew Hamilton is putting her rodeo career on hold to pursue a medical degree. One day she hopes to return to Wyoming to practice family medicine and ranch. She's worked hard to pay for school and doesn't have time for romance, especially with curious straight females. When Jordan hires her as a tutor, Drew finds she is learning more about life than she planned. Jordan is learning more than academics. She's learning about love.

But with their very different backgrounds and families, they may not survive the stresses of a first love.
