Willa Hutchinson is in trouble. With her Alpha now dead, the lead falls to her. Problem is, she's an unmated female in charge of a pack of young shifters. Suitors and challengers are coming from miles around to attempt to claim her territory, her pack, and her! Willing to fight to the death to defend her pack, she knows the odds of survival are slim. She needs a plan, she needs help, she needs a hero. Barron Kane is a man on a mission. Should be easy enough. Repay his debt to his brother by heading to Minnesota and helping out an old friend. How hard could it be? Problem is, the old friend is anything but old and once Barron commits himself to playing the role of Willa's mate and protecting her and her pack, it's impossible to convince his wolf it was all a ruse.
