Revelations, death, and destiny

The three forces have ruled Delaney's McPhearson's life for the last two years.

But the greatest revelation is yet to come . . .

And the greatest sacrifice.

A powerful relic was hidden eons ago to protect mankind. If it's uncovered, our world will change forever. But the Fallen are on its trail. And they're not the only ones.

The key to this ancient danger is none other than Victoria Chandler. No one knows who she really is, or more importantly, what her role is in the fight against the fallen angels. But Victoria's time for secrecy is over. Now she must step out of the shadows and take her rightful place in mankind's history.

Delaney McPhearson, Jake Rogan, and Henry Chandler's fight against the Fallen will take them from ancient temples to natural wonders. But with every step, the danger will grow more severe and the stakes ever higher. And in this battle, not everyone will be standing when the dust clears.
