**Absolutely One Thing: Featuring Charlie and Lola** Lauren Child

**Count on *Absolutely One Thing* for a singularly funny look at simple math as encountered by Charlie and Lola.**

Sometimes, as a treat, Mom takes Charlie and Lola to the store and says they may choose *one thing*. "One thing to share?" Lola asks. No, it's one thing *each*, explains Charlie, or two actual things *between two*. Lola is nine minutes late getting ready, and on the way, there are ladybugs and birds to count and maybe a squillion leaves on a tree. At the store, Lola says she'll choose *three* things, or possibly *two*. "How about *no* things?" asks Mom. With Lola hilariously bending everyday numbers to her will, the math goes down easy in this charming picture book loaded with visual appeal.
