## **Allison's Training** Jennifer Campbell

Allison and Nick have been together for a while, but the relationship is strained, as the self-absorbed Allison feels her man is changing. He invites her to spend a weekend at his family's horse farm in the wilds of Maine, and as a former equestrian in college, Allison is excited to get back in the saddle again. On the drive up they play an erotic game of dominance that makes Allison wonder about her man and herself, but in the end she orgasms after playing the game. When they arrive at the farm, things are not as Allison thought they would be, as she is seized and disrobed by the strong farmhands and Nick doesn't lift a finger to stop them. What lies in store for flaxen-haired Allison at Laughlin Farm, and can she find the inner strength to survive it.
