This is about a love/friendship story based in the Eighties somewhere in California. One girl and two boys struggle to keep their bond in balance helped by music, science and the pretty car borrowed from an unsuspecting rock star. Everything is there for you readers: escapism, nostalgia, a sense of fun. Here is a sexy yet not shallow story. There once was life before the flood. See that car? Get into it! Feel the sun, the palm trees and experience the way California was in the Eighties. There was a fun atmosphere, something special that is now lost...forever? The three main characters are Alanah, Todd and Martin. Alanah is the musician, Martin is the scientist, a big fan of Nikola Tesla, and Todd is the athlete. You might also recognize who is the Singer; I quote from the book: "Nobody has a (big) nose, except Cleopatra and Cyrano de Bergerac."
