I needed to pay for law school.

They needed a baby.

We all got more than we bargained for.

When I offered to become a surrogate for a Nigerian princess and her American husband, I never expected to find my own fairytale ending in the process.

His name is Liam Wild, and these things I know: he's an international DJ, his playboy reputation precedes him, his marriage is a sham, and I'm the only one who can help.

But it's not that simple. It never is.

PLAYBOY'S BABY is a full-length, standalone romance with a happily-ever-after!
