The Key to the Abyss: The first in the Nine Masters series Louise Clare Gray

'There's a battle coming, a battle with the forces of Hell, and you all need to pick a side.'

When friends Julia and Chelsea meet handsome vampire Alex Petrov, they are dragged into a world of magic and nightmare. Caught in the middle of a war between two of the nine Masters, immortals with great occult powers, they are forced to choose a side.

Should they support Medea, the cold and distant protector of the balance between good and evil who cares little for humanity? Or should they work against her with Edward Kelley, who promises great rewards but whose lust for power threatens to create a literal Hell on Earth?

The two friends find love and face death as they fight demons, vampires and an evil occult society. The choices they make will change their friendship and their lives for ever, but they could just save the world.
