Practical tips to help today's women become financially savvy

As marketing manager for a personal finance company, Susan Knape discovered that even accomplished women have questions about managing and making money. *The Money Rules* is an essential and practical collection of tips that addresses the missed opportunities and oversights many women experience --and the profound consequences on their financial situations. Readers will learn to:

- Estimate their cost of living and the cost of the lifestyle they want--and develop a plan to get there
- Overcome embarrassment surrounding money issues
- Understand that whether one is married or single, the key to financial security is creating a financial life that is independent of someone else
- Develop confidence, hope, and practical strategies
