Colder Volume 3: Toss the Bones Paul Tobin

When a mysterious madman returns to claim Boston's sanity, Declan Thomas can only fight him by fulfilling a dark prophecy. With each step, with each use of his abilities, with every ounce of effort he gives to hold onto his sanity, he grows colder. Step by step, moment by moment, closer and closer to zero. With his body failing and his sanity crumbling, Declan balances between falling into madness and falling onto a dinner plate, because Nimble Jack is back, he's hungry, and to him sanity is just a matter of degrees.
