Distributed Computing: Principles and Applications M.L. Liu

Eclogae: Hierdie publikasie is die eerste Afrikaanse prosa-vertaling van Vergilius (10--19 vC) se Bucolica. Die werk staan ook bekend as Eclogae. Met hierdie bundel het Vergilius Rome se eerste digter van bukoliese poësie geword. Georgica, wat 'boerderyaangeleentheid' beteken, het in 29 vC verskyn, 'n tyd toe die landbou weens langdurige oorlogvoering 'n laagtepunt bereik het. Octavianus het die hulp van die Romeinse digters ingeroep. Hoewel die Georgica didaktiese poësie is en oor oënskynlik prosaïese onderwerpe soos akkerbou, boomkwekery en wynbou, perde- en veeteelt, en byboerdery handel, omskep Vergilius dit in poësie wat die toets van tweeduisend jaar deurstaan het.
