Fatal Trust Diana Miller

Stepping her perfect Jimmy Choos into place beside Ben Gallagher's wounded Nikes, straitlaced Philadelphia lawyer Catherine Barrington is surprisingly unable to resist the disarming small-town mechanic's charm. He's one of the heirs to the vast fortune left by his eccentric grandfather Max, a bestselling horror writer, and she's there to carry out Max's last wishes. Routine enough...except that inheriting comes with a catch: none of Max's heirs will get a penny until they've lived together for two weeks in the shadow-filled rooms of his mansion in the wooded hills near Lake Superior.

From beyond the grave, a letter from Max insists that his death was no accident, sending Catherine undercover—and way out of her comfort zone—to catch the killer. Posing as Lexie, Ben's cocktail waitress girlfriend, Catherine soon finds herself trapped with the feuding clan at the sinister Nevermore manor. To save her own life, she'll have to confront the murderer, as well as her growing attraction to Ben—a top suspect.

This book was initially released in episodes as a Kindle Serial. All episodes are now available for immediate download as a complete book.
