Two CD set - both music and nature formats included. Whole Brain InnerTalk is a patented technology that has been independently researched and demonstrated to be effective. All positive messages are delivered to the subconscious mind using a special shadowing technique. These positive affirmations replace old, negative, self-limiting self-talk, and therefore enables you to find success in whichever area you choose. Whole Brain InnerTalk engages the power of your mind to work for you. It is extremely easy to use since you can simply play it in the background while going about your day. No special equipment is required. All you will hear is the primary carrier, either the musical format or the environmental format. Occasionally you will hear speaking in the background, but most of the time you will not be able to make out the actual words. All programs do however come with a complete list of the affirmations. InnerTalk programs provide a scientifically proven method for activating the Law of Attraction (The Secret). Sample Affirmations: I remain calm. I remain relaxed. I am in control. I remain in control. I retain control. I breathe deeply. I breathe regularly. I breathe slowly. I am powerful. I am important. I can do anything. I am enough. I am self-sufficient. I live in now. Now is perfect. I release anger. I release guilt. I live in peace. I live in harmony. I am strong. I am courageous.
