Beyond Reality: A Guide to Alternate Reality Gaming John W. Gosney

"Beyond Reality: A Guide to Alternate Reality Gaming" serves as a comprehensive introduction to this fascinating topic. It covers various aspects of alternate reality gaming, including its history and development of an ARG game (e.g. the "puppet master" role). It also introduces components of ARG games, explaining to inexperienced players how to play an ARG and covers devices (such as GPS devices, etc.). Readers will get tips regarding ARG strategies and will be able to play their own sample "game" that is contained within the pages of the book.
