How To Get The Booty Of Your Dreams: A Butt Workout For The Busy Lifestyle!

Read on your PC, Mac, smart phone, tablet or Kindle device.

Belly, shoulders, legs, and butt. These are the most troublesome areas where we gain fat. When we look at the mirror, we can get frustrated-- so frustrated that we jump into doing two things right away. The first is we reduce our food intake and the second is we start working out. While neither of these two methods is bad, doing them without structure can be dangerous and frustrating.

The first thing that we must do is know our enemy. Contrary to popular belief, gaining weight (especially in troublesome areas) is not as simple as eating a lot of food and not exercising. To be successful in losing fat, you should first know about the REAL process of gaining it.

At a glance, it may seem trivial, but the truth is, knowing them will give you the clearest idea on why some workouts are effective and why some are not. Same with the diets regimens. Proper knowledge will get you far in making smart decisions that will not waste your time, effort, and hope.

This book will help you in your goal to have the behind that you can flaunt to everyone. Here, you will find the top 7 booty exercises that will tone your glutes, a sample workout plan that is perfect for your busy lifestyle, simple guidelines on nutrition, and a very detailed explanation on the process of gaining and storing body fats.
