Not Quite Scaramouche: A Guardians of the Flame Novel Joel Rosenberg

Several of them, in fact. He's the heir to an empire-but he doesn't want to be. And nobody believes that he could or would walk away, and give the job of ruling the kingdom to someone else.

In this roller coaster of a sequel to *Not Exactly the Three Musketeers*, it looks like the stage is set for a major shake-up in the kingdom. Jason's help in keeping everything from blowing up are the self-appointed soldiers of the errant Jason, sent by that wily off-worlnder Walter Slovotsky to keep Jason in one piece . . . more or less.

There's Kethol, the long and lanky redhead with an easy smile, who's quick with a quip and quicker with a sword; Pirojil, the ugly one, whose looks deceive and whose might and loyalty are worth a kingdom; and the fledgling wizard Erenor, a man who tries to stay two steps ahead of his enemies--as well as one step ahead of his friends. They're all part of the Cullinane retinue, sworn to protect the Cullinane manse and the sometimes-heroic Jason Cullinane and they have their hands full.

Because no one likes a vacuum--or one too many contenders for power, Jason's soldiers are going to have to do some fast adventuring to make it all turn out all right.

Next in Joel Rosenberg's bestselling *Guardians of the Flame* series, *Not Quite Scaramouche* continues the adventures of the journeyman soldiers of Castle Cullinane (and their sometimes ill-fated leader) in all their raucous glory.
