## **A World In Danger. A Talented Young Artist. A Portal Between Them.**

Sarina, 12, has one ambition: To win a prestigious art competition and be invited to an exclusive school for artists. But her Principal has demanded she pass a math assessment, or he will block her entry.

Unfortunately Sarina is hopeless at math ... and it shows. Her feeble attempts are ridiculed by the annoying class math whizz, Nathan, and the stress is getting to her. And if that wasn't enough, she's now hallucinating about a deaf mute boy from a parallel world.

A sudden turn of events places her competition entry in dire jeopardy and plunges her into the other world, where she discovers she has incredible new superpowers.

Unbeknownst to Sarina, Nathan is receiving messages from the other world. They will soon be thrown together against a fearsome enemy in a desperate race to save the parallel world--and their own lives.

*"The novel is a very skilful weave of two parallel worlds populated by interesting characters who come together to battle an evil overlord. The plot cleverly moves characters between these parallel worlds and masterfully intertwines science and art to create magic which gives the novel a real WOW factor!"*- Fran B (Head School Librarian).
