The Beautiful Flagellants of Boston (The Beautiful Flagellants Trilogy) (Volume 2) Lord Drialys (pseudonym)

British peer of the realm Lord Drialys, eager to learn if his transatlantic cousins practice the sweeping art of rod and birch and all manner of lasciviousness that flows therefrom, embarks on a grand tour of three of the USA's most famous cities.

Using his wealth and rakish charms he manages to familiarise himself with the whims and fancies of the flagellation loving belles of each city, savouring the singular pleasures a chastised posterior presents. Drialys spans, birches, whips, and rods his way through a multitude of underground clubs, secret societies, and 'massage institutes', and a gaggle of wealthy ladies, débutantes, and dominatrices, confirming his strong suspicion that Americans are just as decadent and debauched as the British.

Volume II, set in Boston, describes our main protagonist as the instigator of several extremely unrestrained bondage sessions. Wielding the whip, Lord Drialys will lash many a well-bred bottom in his pursuit of the ultimate forbidden thrill. This graphically written once-banned classic will make a fine addition to any collection of Victorian erotica and S&M literature. Volumes I and III, set in Chicago and New York, are also available from Locus Elm Press. Crikey!
