**The Lost Books of the Bible: Illustrated! Volume I** Rutherford H. Platt Jr., Matthew Vossler

Volume I and II encompasses all the ecclesiastical writings of early Christian authorities that are known to exist, and yet were omitted from the authorized New Testament. (Includes beautiful artwork from biblical era)

Origins are noted in paragraphs at the front of each book. This will enable the reader to form his own conclusions as to the genuineness of the writings. These writings are a vivid picture of the minds of men in the post-Apostolic period of the Church. Discount the statements from the historical viewpoint as you will- there remains in these gospels and epistles an earnestness of purpose, and zeal to express a message, similar to that of our authorized Bible.
