The Sirens of Titan

Kurt, Jr. Vonnegut

The Sirens of Titan Kurt, Jr. Vonnegut

New York: Dell, 1959. First Edition and First Printing (stated). 12mo, illustrated wraps, 319 pp. Very Good or better; some creasing at use points and some corners. See scans. Brief, light (erasable) penciled notation on the ffep. A nice copy. Though nowhere so stated in the book, this copy is from the collection of Arthur W. Stone, for a bit of association status. Vonnegut's second novel, and he was already showing what he would continue to do - mmmmm sort-of sci-fi with a whimsical philosophical twist. Yes, this paperback edition is the first edition. Nice collectible for any of several collecting categories, of course. L37n
