Awaiting the Already: An Advent Journey Through the Gospels Magrey deVega

The Christmas story we know so well is really a compilation of accounts found in each of the Gospels. Although the four books present the event somewhat differently, each of them leads us on the Advent journey of preparation for Christ's coming. Awaiting the Already takes us on a tour through the Gospel narratives, showing us what parts of the Christmas story come from which Gospel, and helps us to recognize that each Gospel writer invites us to encounter a fresh experience of the birth of Christ. This thematic Bible study is designed to be used by individuals and small groups during Advent. Each chapter offers questions for reflection and discussion, a brief prayer, and a focus for the week.
