Drug Therapy in Nursing VitalSource and PrepU Access Cards Package Diane Aschenbrenner

We are pleased to introduce the VitalSource edition of *Drug Therapy in Nursing, Fourth Edition* & the *PrepU Access Cards Package*.

This fully revised 4th edition presents a totally nursing-focused framework for teaching and learning nursing pharmacology, and places the patient at the center of all drug and drug administration decisions and considerations. The book presents core drug knowledge using prototypes of different drug classes and emphasizes core patient variables that influence the patient's response to therapy. Features include abundant review questions, concept maps, drug summary tables, drug interaction tables, and critical thinking scenarios that teach students how to apply pharmacology knowledge to patient care.

PrepU is an adaptive quizzing engine built by teachers and tested in the classroom. PrepU's personalized quizzes help each student learn more, while giving instructors a window into their students' progress-highlighting misconceptions, strengths, and weaknesses.

Access to this eBook is provided through the purchase of a unique code that is physically shipped to you via U.S. mail within 3 to 7 days. Purchase of this product will not provide you immediate instant access to this eBook.
