Rosie's Blues Travis Stokes, True Visions Publications

Set in the early twentieth century, *Rosie's Blues* is the story of an intelligent, talented, and ambitious young woman with a bright future ahead of her; with many storm clouds in her way. One of the many obstacles that's keeping Rosie Mae Jackson from achieving further success is residing in the deep-south where her aspirations are limited as a Negro woman. To provide a life of abundance for their daughter, Rosie's parents; Joseph and Elizabeth would venture from the south to join thousands of Negroes in the north during the Great Migration Movement, where they would find prosperity in the industrious St. Louis, Missouri. But when tragedy strikes and Joseph is killed in a race riot, Rosie life is thrown out of balance when she may have no choice but to drop out of school to help her ailing mother make ends meet. When all fails and her mother's health continues to deteriorate, Rosie packs her tattered suitcase and leaves home for Chicago to embark on a risky business she never deemed possible for herself. Rosie would go on to make choices she never thought she would have to, including going against her devote, Christian mother wishes, that may put their relationship in serious turmoil. But as times get harder and life continues to throw difficult challenges her way, the words of her late father continue to live on within her: "Sometimes, Baby Gal, You gotta do what you gotta do."

From reader reviews:

Christopher Price:

Do you have favorite book? For those who have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each reserve has different aim or even goal; it means that book has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are really reading whatever they have because their hobby will be reading a book. What about the person who don't like reading a book? Sometime, man feel need book if they found difficult problem or even exercise. Well, probably you'll have this Rosie's Blues.

Robert Johnson:

The particular book Rosie's Blues will bring you to definitely the new experience of reading a book. The author style to clarify the idea is very unique. In case you try to find new book to see, this book very suitable to you. The book Rosie's Blues is much recommended to you you just read. You can also get the e-book through the official web site, so you can more easily to read the book.

Hope Giles:

This Rosie's Blues is great book for you because the content which can be full of information for you who always deal with world and also have to make decision every minute. That book reveal it information accurately using great manage word or we can point out no rambling sentences within it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tricky core information with lovely delivering sentences. Having Rosie's Blues in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no e-book that offer you world throughout ten or fifteen second right but this e-book already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt this?

Ron Matthies:

A lot of reserve has printed but it is unique. You can get it by net on social media. You can choose the top book for you, science, witty, novel, or whatever by searching from it. It is named of book Rosie's Blues. You'll be able to your knowledge by it. Without leaving the printed book, it can add your knowledge and make an individual happier to read. It is most essential that, you must aware about reserve. It can bring you from one destination for a other place.
