Grateful when she's hired as the Davises' maid, Ruby Ballard vows to help save her family's farm. There's just one problem: the boss's handsome son, Lorenzo. He makes her forget family duty, forget her lowly place, even forget her friends who are in love with him! But his love is a gift that could never be hers—not even for Christmas.

Lorenzo knows Ruby is the only woman he could marry. Yet the quiet beauty refuses his courtship. As the holidays approach, he *will* make both their wishes come true, when he claims her at last as his snowflake bride.
