Sheltered all her life as the daughter of an ambassador, Emma Labonte boards a small plane on a trip from Australia. One hijacking and a plane crash later, she finds herself on a deserted island and stranded with three different yet equally sexy men. With no hope for rescue, the four begin to carve a semblance of a life in their tropical setting. Closeness breeds curiosity, and naive Emma begins to wonder what it would be like to be loved by these three men. The adventurer Jack, Toby the intelligent doctor, and shy English professor Steve--each carve a special place in her heart.

When her three men launch seduction in the South Seas, how can she resist?
