## The Crystal Crux: Betrayal, Book 1 Allen M. Werner

Once you get past the Greek warrior Bellerophon and his esoteric-laced crystals, past the menacing black dragon Ophis, past the sinister giant Sinibaldus, past the black-heart Castellan Rugerius, past the enchanted creatures haunting Eagles Pass and the treacherous Fabbro family ruling Parthenope, you'll discover that *The Crystal Crux: Betrayal* is a love story, a tale of light and faith in a land of darkness, war and hopelessness. Pero de Alava has sinned against the powers-that-be. His elevated paranoia has made him indecisive and given life to frequent hallucinations and troubling visions. The supernatural is colliding with reality and the caballero fears he is losing his mind. His plans to wed Anthea Manikos unravel quickly. His best friend, Francis Whitehall, the Griffin, can't reach him. He accepts no advice from anyone. He curses God because he has seen the prosperity of the wicked and envied them. Will his quest into hell help him right his mind again or will his jealousy drive him to be as unjust as those he despises?

Emperor Henry VI has died. He can no longer protect his pawns. Brother betrays brother, friend betrays friend. As Zor always says, "Bravest blood flows first." The heart has been struck. It is only day one and the leaves are falling, snapping off at the stems, missed opportunities drifting away, swirling in the breeze towards the coldness of the grave. So many regrets. "Every malevolent act you henceforth commit in the name of justice, will only disconnect you from the greater good you are swearing to perform. You will be broken and become the evil thing you loathe."
