One little white lie...one *big* explanation!

Okay, pretending her sexy boss is her boyfriend is more like a *huge* white lie. But electrician Leah Santino will take the risk. If her parents think she has someone, they won't go back to smothering her, and they can all be a family again.

Problem is, Jacob McKnight isn't just her boss—he's her friend. And faking a relationship when the Santinos come to visit means those sparks she's always tried to ignore are hotter than ever. This *thing* between them is starting to feel real, but Leah has a very good reason to stay independent. Unless that's one lie that's outlived its purpose...
