Witch Central welcomes everyone. Or does it?

Twenty months ago, Jamie and Lauren crashed a coven meeting in Chicago - a visit they barely remember. For Beth Landler, it was the moment that fractured her circle and awakened the need for an entirely different kind of magic.

The kind only found in Witch Central. If she can dig up the courage to go.

A Different Witch is book five of the top-rated *A Modern Witch* series. Light contemporary fantasy with a good dose of humor, a little romance, and characters you won't want to leave.
