This workbook is designed for use by non-native learners of the Persian language. It is intended for beginners who seek to learn the Persian alphabet and script. By using visual directions and exercises, the workbook will help the reader overcome some of the difficulties associated with the process of learning the Persian script. This book will provide you with a clear description for each Persian letter, including its name, sound and forms. Examples for various forms of each letter are also given to facilitate the learning process. Visual directions for writing each letter are then followed by exercises which enhance your Persian writing skills. After covering all the Persian letters, the workbook offers the opportunity to practice writing Persian words. It also contains instructions for writing Persian numbers, samples of common Persian fonts and examples of typical Persian handwriting styles.
