All has been lost. The Mythic Alliance, which had sought to stop the Last Judgement and the End of the Worlds, has been crushed. Either annihilated or scattered to the four winds, it lies broken as a force for salvation. Even if Ray Jalsen, who struggles to exist beyond the borders of oblivion, could manage to return to his Universe; what would be waiting for him there? The tides have turned dark, and it will take more than one miracle to save beleaguered Humankind, as the Worlds dance on the edge of the Abyss.
