Sonata and Suite for Pianoforte

Christopher Huggett

Sonata and Suite for Pianoforte Christopher Huggett

The sonata has had numerous changes over the years and some movements have been completely rewritten for this version. It will challenge the performer and impress the audience. Suites are usually a variety of dance forms in a single key. Here I have used different forms, though few of them are dances. Each key is different, but they form a progression from one to five flats. I have omitted dynamics and accentuation for these works to allow the performer to interpret them according to his own wishes.
