This guide and workbook is intended to present very basic information to help injured workers understand the Worker's Compensation system, the steps to functional recovery, and getting back to work. The guide is based on the Hawaii Worker's Compensation system. Laws will vary from state to state. While some legal information is necessarily provided in this guide, it is not intended to replace legal authority or advice. The guide is intended to present and explain terminology that can often be confusing. The information presented is intended only as a guide and not as a substitute for medical care with your primary treating physician.
