The Art of the Kiss and Other Mysteries

Dianna seemed to be an ordinary girl back in junior high. But there was something people didn't know about her. Some sort of a secret she unraveled years later – her life was completely changed by...two kisses. As simple as it may sound, those kisses determined her life once and forever.

The first one was...Ugh...definitely not the one every little girl dreams of. Is life really so unfair? Is fate so sadistic? Or maybe they are just preparing a big surprise? Dianna got a second chance and her second kiss was more than enough to make up for the first one. So was the third and the fourth and...

They were perfectly happy – her and Susan – the girl who stood behind the second kiss. But life became unexpectedly real. Graduation. College. Money. Friends. There turned out to be so many things Dianna hadn't even known about in the first place. Will the first love conquer the reality? Will it be the last one? Or will it end so fast and so silly as the first fight? Will they lose each other to find again?

The Bride Price

It was almost a perfect wedding. Almost. Judith Price, noted puzzle designer, had finally found the love of her life. Daniel Danvers, quiet and reserved, had finally popped the question, and the arrangements were all but completed, when everything fell apart. Her father, Alistair Price, the noted author and literary critic had been killed, his body found slumped over his writing desk, a letter opener used to end him.

Local sheriff Alan Voorhees has set his sights on Danvers as the prime suspect. But Judith is certain that Daniel could never do such a thing, and now she is in a race with the law. Sheriff Voorhees will arrest Daniel on Monday, but Judith must solve the mystery of her father's death, and identify his killer in the next two days.

She is determined to do so, but at what price is Daniel's freedom gotten?

Evidence is thin, and time is running out.

She can't waste another minute. And neither should you.

Price of Freedom

With a shiny new badge, and her decades-old passion for puzzles, it doesn't take the would-be sleuth to start a walk along the dark side.

A boating enthusiast is dead, an apparent victim of poisoning. But is it a case of accidental ingestion, or did someone set out to put an end to the town's preeminent sloop racer?

The town's regatta is only days away. Can Judith bring her skills to bear, and the criminal to justice? There isn't much time.

Murder in San Sebastian

A thrilling new story set in the small, beach town of San Sebastian. It is a quiet and beautiful place where many go to relax. It is the perfect kind of place for someone like Annie Walker, a writer from busy London seeking new inspirations and sanctuary. It is the perfectly quiet and gorgeous environment that becomes her favorite place to holiday, year after year. It is there that she meets Luke Russell, a wealthy man in his mid-30s with plenty of natural charm. They become close but despite his subtle pursuit of her, she never gives in. She only thinks of him as a friend.

Little does she know she will lose that friend shortly after starting to date Ethan, another local man with more than one secret. How will she fare after her friend is found one fateful morning? And how will she deal with becoming the suspect?

A Classic Case of Murder

Ben and Mark, from the Clements Police Department, are investigating a pretty classic case of murder. Carrie Wellington, a famous writer, was murdered in her own car. What a tragic loss! She was such a nice woman, kind and generous! Who would think she'd end up strangled with ...a guitar string?
