- This market-leading book is written by the most respected team of authors and contributors in the profession.
- Comprehensive coverage includes over 200 basic, intermediate, and advanced nursing skills.
- Over 1,200 vivid, full-color photographs and drawings aid understanding.
- Five-step nursing process provides a framework for description of skills, as related to overall client care.
- Rationales for each skill step explain why steps are performed in a specific way, including their clinical significance and benefit, and incorporate the latest research findings.
- Unique! Critical decision points address key safety issues or possible skill modifications for specific patient needs.
- Unique! Unexpected outcomes and related interventions alert you to what might go wrong and how to appropriately intervene.
- Delegation principles discuss your responsibilities when assigning tasks to unlicensed assistive personnel.
- Guidelines for reporting and recording list what to document and include examples of proper wording.
- Cultural Considerations sections alert you to the care issues unique to people of specific cultural or ethnic backgrounds.
- Special considerations discuss variations in the needs of children, older adults, and home care patients, and help you provide appropriate patient education as mandated by the Joint Commission.
- Pediatric, geriatric, home care, and teaching considerations address specific patient needs.
- Critical thinking exercises challenge you to integrate information on patient assessment and care.
- **Over 250 new photos** illustrate the most current equipment and techniques.
- **Improved readability** includes a streamlined presentation, with material that's easier to comprehend.
- **Skills performance guidelines** include key principles that apply to all skills covered within a chapter.
- **NEW! Using Evidence in Nursing Practice chapter** discusses the complete process of conducting research, collecting, critiquing, evaluating, and applying evidence to improve patient care.
- **A companion Evolve website** includes additional review questions, an audio glossary and access to Evolve Mobile, where you can download the skills checklists and video clips for your iPod or MP3 player.
