Daddy, Look What I Can Do Dinah Mack

The little animals in this board book want their daddies to watch them and little hands can lift the flaps to watch them too. A baby bear shows how he can stand on one leg, a young giraffe eats the leaves at the top of the tree, and a lion cub roars loudly, just like his father. This colorful board book contains both photographs and drawings of animals and their little ones in their environments that young readers can also explore.
