Grieving a Soulmate: The Love Story Behind Till Death Do Us Part Robert Orfali

The book every lover should read. *Grieving a Soulmate* is unlike any book you've ever read, even though the story is universal. It's about the death of a lover. The book takes on this difficult and very personal topic with courage, out-of-the box thinking, and deep love. Ranging from the practical to the emotional--and frequently blending the two--Orfali's style of writing makes a difficult topic easier to manage. He writes in an easy style that is analytical, yet speaks from the heart. The content is thought-provoking, unique and original. It's your gentle and informed guide to the deep grieving that accompanies the death of a soulmate. This book should help you quickly overcome the red-hot pain of grief. It also tells you how to reconstruct your life, find meaning, and deal with the big existential issues from a secular perspective. It's a survival guide for the last stages in a soulmate relationship. Above all, however, *Grieving a Soulmate* is a love story.

Robert Orfali and his soulmate of thirty years, Jeri, were both in the computer software field in the early days of Silicon Valley. They co-authored three best-selling software books and together went on several world tours to promote their technology. Jeri was diagnosed with ovarian cancer, in 1999, shortly after they moved to Hawaii. Jeri and Robert spent the next ten years fighting Jeri's cancer and learning how to live with it. Jeri even learned how to surf during her chemo years. She went from "Silicon Valley Executive Woman of the Year" to "Waikiki Surfer Chick." Jeri received one of the most moving surfer funerals ever. Her ashes are in the ocean at Waikiki.
