Mark Twain's San Francisco (California Legacy) Mark Twain

Being a Generous and Uninhibited Cornucopia of Reports, Speculations, Satires, Brickbats, Musings, Topical Verse, and Other Observations by Mark Twain

Jumping frogs, high society, beloved San Francisco characters Emperor Norton and the stray dogs Bummer and Lazarus who followed on his heels--nothing escaped Mark Twain's scrutiny or his acerbic wit. Editor Bernard Taper has gathered together a heady selection of newspaper articles, correspondence, poetry, and short stories that are humorous--sometimes exasperating and controversial--but always engaging.

Like a good sidekick in a comedy duo, Edward Jump, a contemporary of Twain's, offers through his lively illustrations a visual drum roll to Twain's cantankerous prose.

From earthquakes, police scandals, and tantalizing silver mine bonanzas to elegant ladies blowing their noses in "exquisitely modulated tones" and seals "writhing and squirming like exaggerated maggots" below the Cliff House, Mark Twain has left us a vision of San Francisco that is at once fascinating and hilariously familiar.
