To live is to dream.

And for Max Celino, that dream has always been about fighting.

To be an MMA fighter is his passion.

Now, he places his friendship on the line in order to follow that dream.

Will Tammi stay by his side as he puts her through worry and fatigue?

Or will he be forced to give up his desire to be in the ring when emotions are put on the line?

For Tammi, being hard on Max is the only way she knows how.

After treating his battle wounds time and time again, she is used to chastising him for his actions.

But of course, Max will never learn.

He will follow his dream until the very end, the only question is whether Tammi will follow her dream boy or give him up for a life of peace and serenity.

Best friends, a fight for the belt, and for their relationship.
