Routledge Library Editions: Wordsworth and Coleridge (RLE: Wordsworth and Coleridge) Various

Beginning with the publication of their joint collection of poems *Lyrical Ballads* in 1798, William Wordsworth and Samuel Taylor Coleridge were instrumental in helping to establish the Romantic Movement as a major force in nineteenth century British literature. Two of the movement's greatest figures, they were responsible for composing some of the most well-known poems in the British literary canon and influenced generations of acolytes. They were also the foremost literary critics of the period, contributing influential writings on literary theory and philosophy ? exemplified by Coleridge's *Biographia Literaria*.

'Routledge Library Editions: Wordsworth and Coleridge' assembles a wide range of scholarship and criticism that covers all aspects of their diverse output and charts the vicissitudes of their lives ? examining their poetry, criticism, philosophy and sources of inspiration. It will also help introduce them to newer readers and explain notoriously difficult to understand works like Wordsworth's *The Prelude*. This set reissues 14 books originally published between 1960 and 1991 and will be of interest to students of literature and literary history.
