Jared's been bitten, but I know how to bring him back!

Big, Beautiful Woman + Sexy, Loner Werebear Hunk = Passion and Unbridled Emotions!

He and I are meant to be, you see. And the Werewolf pack that stalks the forest behind our house don't own him, not yet. In fact, I've heard him, sensed his presence. He's different. Stronger. More independent.

Jared's a BEAR. I know it. And I have a plan to lure him home, to remind him of the pleasures of a woman. My scent on the wind will ignite his lust for me, and he'll be mine once more.

I just hope we can protect ourselves from the Wolves, because they'll surely smell me too!
