**Throne of the Dead (Seraphim Revival) (Volume 2)** Jacob Holo

In an empire ruled by the honored dead, seraphs are the ultimate weapons. Fueled by the pilot's very soul, these colossal humanoid war machines are unstoppable in battle. Only a few possess the gift to control such craft, and those men and women are prized above all others.

Quennin S'Kev was one such pilot before injuries scorched her mind and stripped her abilities. Exiled by her people for reasons she does not understand, she lives on without honor or purpose. It is an existence so repulsive to her that she openly considers ending her own life.

All that changes when enemy commandos kidnap Quennin and bring her before the renegade Veketon. He claims he can restore her talents, even make them stronger, and offers her a place in his army worthy of her skills. It is everything her heart secretly desires.

His price?

She must swear allegiance to the worst traitor her people have ever known.
