For the first time, investors will discover how to apply the three vital investment steps for today's markets along with time-tested strategies for acquiring wealth and keeping it. Nikki Ross profiles five legends, revealing how they gather and evaluate information and make investment decisions.

Each chapter provides vital strategies for creating a sound investment plan.

\*WARREN BUFFETT: the super-combination investor shares insights about how to profit from annual reports and what to look for in stock research reports. \*PHIL FISHER: the investigative growth investor tells how to pick stocks with tremendous profit potential by evaluating management, products, and policies of companies. \*BENJAMIN GRAHAM: the value numbers investor provides important financial numbers and ratios to evaluate companies. Grahams followers give expanded criteria for 21st century value investing. \*T. ROWE PRICE: the visionary growth investor discusses how to evaluate the life stage of a company, warning signals of slowing growth, and trends affecting stocks, updated by disciples. \*JOHN MARKS TEMPLETON: the spiritual global investor, and one of the first money managers to invest internationally, gives 16 timeless investment rules and strategies for global investing in today's volatile markets.
