Growing old can get pretty lonely, especially with no one to grow old with...

When a middle-aged man finds himself needing a more intimate type of companionship, he signs up in an online dating site and posts an ad, saying he is looking for someone who is open to new experiences.

He gets a lot of hits, but then again, he also expects most of them to change their minds after exchanging e-mails with him. There is this one guy, though... someone who is very persistent and very sure of himself, who seems ready and eager to push things through.

And now he's the one who is more wary; he's not sure if he should believe a word from this bold stranger. But just the thought of getting it... to even have a chance at this...gives him the thrill he craves.

When he meets this stranger, he couldn't help but feel lucky to find a teenage boy, about eighteen years old, standing on his doorstep...

This story is also known as "Meeting Matt"

SAMPLE 1:

"I'm about to shoot," he said, and I just kept sucking him.

"Do you want me to shoot in your mouth?" he asked, breathless.

"Yes," I mumbled.

Just as he said, it didn't take long before I felt his cock throb, and the taste of his teenage cum shot into my mouth.

I milked his cock for all I could get, and he ended up having to pull away from me.

"Oh man, you gotta stop," he gasped. "It's too sensitive."

SAMPLE 2:

"Let's 69," he suggested.

We got on the bed, me on my back with his cock down my throat and him up on his knees as we began

sucking each other.

He was working my cock with his mouth just before I thought I heard him say something. I couldn't understand what it was because his thighs were pressed tight against the sides of my head.

I pulled mouth from his cock and asked, "What did you say?".
