## **She's the Man: A Futanari Gangbang** Elise Strayer

Something has changed; something is different. Patrick was always such a sweet husband. Erin never had a single complaint about his behavior. Only now, he has a new boss at work, a woman, and she doesn't know how to handle it. Every day, he gets more aggressive at home. If he can't feel like he is in charge of work, then he will do whatever he wants at home. Erin does her very best to be patient with him. For the most part, she can even put up with his bad behavior, right up until the point when he puts his hand on the back of her head to "encourage" her to go down on him. From that moment forward, something changes inside of Erin. Before, she was just an ordinary girl. But her anger coalesces into something else, something powerful, something unexplainable and mystical. The next time she talks to Patrick, she gives him an order, and he is helpless to resist. All of a sudden, his wife can order him around without any effort at all. He can't fight the power of her voice. He is compelled to obey her every order. But this newfound talent is just the beginning. Patrick thought he was the man of the house, but now, she snaps her fingers, and she has a surprise for him. She takes her husband, treating him like the girl. From this point forward, she'll be in charge. She's going to be the one holding him down. But here's the thing, Erin isn't a greedy girl. She has no problem sharing him. Patrick used to believe that a woman's role was to serve. Now he has no choice but to cook, clean, suck and accept his wife's decisions. He thought he could be in control because of his natural equipment? He was wrong. This 20,000 word futanari story features gangbangs, mind control, female domination, humiliation, spanking, and domestic discipline. All characters are consenting adults over the age of 18.
