Friedman's Cases and Materials on The Law of Employment Discrimination, 8th (University Casebook Series) (English and English Edition) Joel Friedman

This casebook covers all the major aspects of employment discrimination law, including updates on benchmark legislative, administrative, and judicial developments. In particular, this new edition fully integrates all relevant Supreme Court decisions from the 2009-2010 and 2010-2011 terms as well as all important lower court decisions during that same period. The Eighth Edition continues this casebook's standing as the most teachable and comprehensive casebook in its field. It retains the organizational structure that has made the previous editions adaptable to 2-, 3- or 4-credit courses. As with the previous edition, it reflects a significant amount of editing to remove redundancies, clarify ambiguous textual material and provide a more manageable teaching tool.
