Lake Pontchartrain (LA) (Images of America)

Catherine Campanella

Lake Pontchartrain (LA) (Images of America) Catherine Campanella

Native Americans used Okwata, meaning "wide water," as a shortcut for inland trade between the Gulf of Mexico and the Mississippi River. When the Europeans arrived, the original inhabitants showed them the route--the settlement near the river became the city of New Orleans, other lakeshore communities grew, and Lake Pontchartrain continued to be a vital waterway well into the 20th century. Aside from its economic value, Lake Pontchartrain was a cultural mecca: Mark Twain wrote about it and jazz sprang from its shores; locals and visitors traveled out to the amusement parks and opera pavilions, simple fishing villages and swanky yacht clubs, forts and lighthouses; and majestic hotels and camps perched precariously over the water. In *Images of America: Lake Pontchartrain*, photographs document memories of a time that not even Hurricane Katrina could erase.
