Obsidian Son: A Novel In The Nate Temple Supernatural Thriller Series (The Temple Chronicles Book 1) Shayne Silvers

Billionaire Heir, Playboy, and Closet Wizard is now the Prime Suspect in his Parents' Murder...

The Minotaur – a violent creature spawned from Greek legends – has become a Buddhist. Oblivious to his change in dogma, Nate Temple – part-time wizard, full-time bookstore owner, and well-timed smartass – seeks him out to find answers about a rare book for a mysterious new client. But cow-tipping him might not have been the best opening move, especially after he's booted straight into the waiting arms of the police, who intend to question him about the mysterious circumstances that surround the death of his billionaire parents – circumstances that he never could have anticipated.

Shape-shifting dragons are dead set on taking over his city. Nate, never one to back down from an impossible fight, joins his closet-werewolf, FBI Agent friend to stake a flag under the St. Louis Arch, declaring it immune to a reptile dysfunction. But dragons begin to crawl out of the stonework, hungry for a fire-roasted wizard and werewolf kabob. Temple finds his magical anonymity challenged by the journalistic efforts of the five o'clock news. Nate must learn the truth of a stunning betrayal that leads all the way back to his parents' murder if he hopes to save everyone he cares about. But not before dishing out a world of hurt on the dragons with his new motley crew of Black-Ops supernaturals to do a little dragon hunting.

Obsidian Son is the first installment in the Nate Temple series of Supernatural Thrillers, and is said by fans to be a fine addition to the fans of the Greats themselves: Jim Butcher, Kevin Hearne, and Patrick Rothfuss.

INTERVIEW WITH THE AUTHOR:

Q: So, what makes the Nate Temple series special?

A: I wanted to write a series of stories that mirrored the books I liked to read in my childhood. My top picks were usually urban fantasy, paranormal best sellers, and of course, books featuring your classic gritty, pulp-fiction heroes. Basically, anything with a lot of creepy crawly supernatural characters: mythical creatures, ancient heroes, super villains, and gods. You will find that the stories focus on the ancient myths, characters, and stories we all know and love. Then twist them up and toss them back like an empty beer can.

Q: What order should I read the books in?

A: I've written the series with the intent that they should be read in order to get the full effect of the bigger picture; however the stories can be read in any order if you are looking for a quick, fast-paced romp through Adrenaline-ville. I suggest the following sequence:

- *Obsidian Son*
- *Blood Debts*
- *Book 3 – To Be Published mid 2016*

Q: So, why should readers give these books a try?

A: Because the Nate Temple series is a present day, thrill-ride that takes no prisoners. Dragons, Angels, Demons, Greek Legends, Wizards, werewolves, and a whole slew of other supernatural ‘Freaks’ abound in my stories. *Obsidian Son* has hit the top ten bestsellers list on Kindle for Urban Fantasy and Paranormal.

The plot twists and turns until the last page, and my twisted sense of humor will have you laughing out loud at things you really shouldn’t be laughing at. I mean, the first chapter depicts the legendary, murderous Minotaur as a reformed Buddhist, and Nate cowtips him... Come on!
