Once More, with Feeling: How We Tried to Make the Greatest Porn Film Ever Victoria Coren, Charlie Skelton

Vicky and Charlie, twenty-somethings, one the son of a vicar, the other the daughter of a much loved Radio 4 and Times columnist, friends for years but never boyfriend/girlfriend, decide to make a hardcore porn movie. Vicky and Charlie are best friends who used to co-review hardcore porn movies. After a year of fat lechers, bored hookers and clunky dialogue, they said, "Hang on, we could make a better film than this ourselves." What was to stop them? Only their conservative families, stammering English reserve, and total lack of experience. They set off at once. This is the extraordinary and hilarious story of their journey from a sofa in North London, through the heart of the sex industry in California, to their own film set in Amsterdam. What happens when a 'nice girl' falls in love with a rent-boy, and a vicar's son attempts to film a gang-bang? Vicky and Charlie learned to see the world through new eyes, and the sex-workers learned how to play cribbage. And together they produced perhaps the most baffling skinflick in history.
