Pasajes de la guerra revolucionaria: Congo: Authorized edition (Proyecto Editorial Che Guevara) (Spanish Edition) Ernesto Che Guevara, Aleida Guevara

“Guevara launches into a brutally honest account of Cuba’s disastrous 1965 intervention in Congo. . . . Most of all, the diaries afford the reader a very personal insight into the thoughts and emotions of Che Guevara, the twentieth century’s great revolutionary martyr.”—Publishers Weekly

In 1965, Che Guevara left Cuba to lead a secret Cuban mission to aid the African liberation movements. Unpublished for decades, this diary reflects Che’s characteristic insight, humor, and candor.

«Dejaba atrás casi once años de trabajo para la Revolución cubana al lado de Fidel, un hogar feliz, hasta donde puede llamarse hogar la vivienda de un revolucionario consagrado a su tarea, y un montón de hijos que apenas sabían de mi cariño. Se reiniciaba el ciclo.»—Ernesto Che Guevara

La participación de Che en la guerrilla congoleña, resulta expresión de una práctica internacionalista consecuente con sus tesis liberadoras tercermundistas; en sus propias palabras, era «parte de una idea de lucha que estaba totalmente organizada en mi cerebro». Es, pues, nueva afirmación—ya en madurez—de esa confluencia entre pensamiento y acción, que se articulan de manera creciente a lo largo de su vida, hasta la gesta boliviana, conformando y dándole esa particular fuerza y sentido a su ejemplo. Se entrelazan, en estas páginas, la descripción de los hechos vinculados a esta experiencia local, con los análisis desde una perspectiva mundial. Reflexiones sobre la dominación imperialista y la liberación de los pueblos, las cuales resultan continuidad de un pensamiento que comprende desde sus discursos en Ginebra, Naciones Unidas y Argelia, hasta su «Mensaje a la Tricontinental»; un ideario actuante que tiene como bandera «las causas sagradas de la redención de la humanidad».
